

Lehnen, Let's Take It Slow

let's take it slow, nice and easy.

you might end up with handfuls of money.

you could try to make a change by making a lot of noise, can a difference of opinion be solved by the
well i don't know.

let's take a ride across the city, from side to side, just to take in the beauty.

you could stand on a hill tell the wind which way it should blow, hold your fist up for hours it won't b
so take it slow.

i just don't know, and i'm happy with that answer.

i gave up on certainty years ago, and i'm taking my chances.

this could be our dream home, right here by the side of the road.
