

Lemar, Someone Should Tell You

You call me up, in tears again
I come over
Your only friend
Put my arms around you
To stop this lonely night
You ask me to stay
But i don't think it's right

When you tell me you're in love with him
Don't you know that really caves me in
And i'm not that strong

[Chorus]
Someone should tell you
How much i love you
Cos i really do
Wish i could hold you
The way that i want to
Cos no one, can love you, like i do

You're everything, that i ever dreamed
You're the only one
The only one for me
So we talk all night
But in my head
Three little words, that i never said

You say you don't know what you'd do without me
Don't you know that this is killing me
And i'm not that strong

[Chorus]

When you tell me you're in love with him
Don't you know that really caves me in
And i'm not that strong
No i'm not that strong

[Chorus x2]
