

Lemon Demon, Action Movie Hero Boy

<i>I'm bad!</i>

I gotta figure out where mommy keeps the dynamite.
I'll get some measuring tape so I can time it right.
I know it's dangerous, I know you're thinking I am a fool,
But it's the only chance I'll ever get to look so cool. (Look so cool.)

<i>Hey, look at me, casually
Walking away like Action Movie Hero Boy
In slow-mo, everything glowing and
Blowing to bits right behind me.</i>

You see it all the time in theatres on the silver screen,
Like when the good guy blows the bad guy's house to smithereens.
I've got a movie-making camera and a dozen grenades.
I'm looking tough, I've got the stuff, I've got the spiffy shades. (Spiffy shades.)

<i>Hey, look at me, casually
Walking away like Action Movie Hero Boy
In slow-mo, everything glowing and
Blowing to bits right behind me.</i>

I am aware it's just a movie. I'm aware it's a cliché.
I am aware I'm being stupid. I'm aware of that, but hey,
This is just something that I gotta do.
Yeah. (Yeah.)

<i>Hey, look at me, casually
Stumbling down like Action Movie Blooper Reels
In slow-mo, everything glowing and
Blowing to bits including me.</i>
