

Lemon Demon, Eyewishes

I'm without eyelashes.
I noticed, so are you.
We used them on wishes,
And none of them came true.

<i>Terrible, I know, but fair is fair is fair.
I'm blinking up a storm,
But nothing's ever ever there.</i>

I'm without a soulmate.
I noticed, so are you.
What is that, anyway?
Copycat, I hate you.

<i>Mirror mirror on the emotional wall.
I'm dancing like a fool,
But no one seems to care at all.</i>

I'm without any more
Things to be without, since
Everything I longed for
Followed in my footprints.

<i>Now I guess would be the perfect time to die,
So take care of my pets and plants,
And now I'll say good</i>
