

# Lemon Demon, I Know Your Name

It was a Friday.  
I saw a movie, but it wasn't very long,  
so I snuck into another one.  
Employees caught me. They threw me out into the mall.  
All in all, it was pretty fun.  
But then it happened: I bumped into a random guy.  
He said Excuse me, and he tried to walk away.  
But I had just had a psychic vision.  
I said, Sir, I don't know why, but I know your name.  
I said,

I know, I know, I know your name.  
I know, I know, I know your name.  
I know, I know, I know your name.  
I know, I know your name is  
Your name is Bob. Your name is Bob.  
Your name is Bob, I know.

The guy said, Sorry, my name is Fred,  
And then he slowly walked away. I never saw that guy again.  
Went back to my house.  
Went to my room to feed my fish which was floating on its back,  
So I gave it to the cat.  
When he was finished, I took the bones away,  
But right before I reached the garbage something happened in my brain.  
Well I had just had a psychic vision.  
I said, Cat, I don't know why, but I know your name.  
I said,

I know, I know, I know your name.  
I know, I know, I know your name.  
I know, I know, I know your name.  
I know, I know your name is  
Your name is Bob. Your name is Bob.  
Your name is Bob, I know.

The cat said nothing,  
And then threw up onto my freshly shampooed carpet.  
I rolled my eyes and walked outside.  
It started raining.  
I ran for shelter in an alleyway that smelled as if an elephant had died.  
There was a box there.  
I looked inside to see a homeless man,  
Dressed in rags, bearded and insane.  
And suddenly I had a psychic vision.  
I said, Sir, I don't know why, but I know your name.  
I said,

I know, I know, I know your name.  
I know, I know, I know your name.  
I know, I know, I know your name.  
I know, I know your name is  
Your name is Bob. Your name is Bob.  
Your name is Bob, I know.

The homeless man stared. He looked a bit scared.  
He asked me how I knew his name. I couldn't say.  
And it was awkward. He fell asleep,  
And I walked back home in the rain. (In the rain.)  
But then it happened: another vision came to me.  
Another psychic idea from my dreams.  
I knew I had to burn down the supermarket to achieve world peace.  
So I did.  
So I did

So I did  
So I did  
So I did  
So I did  
So I did  
So I did  
So I did  
So I did  
So I did  
So I did  
So I did!
