

Lemon Demon, Switzerland

I lose track of my many adversaries,
They catch wind of whatever I say.
My whole life's getting awfully precursory,
And maybe it's time I meandered away.

Because life is a mean one,
I've only seen one sky,
And it's not so grand.
Since that's all that I know,
I'm changing the flow,
I'm going to Switzerland.

They make watches and chocolate and army knives,
And that's all that I actually know.
I don't care, I don't want to considerize
The tiny details, I'm just ready to go.

Because life is a mean one,
I've only seen one sky,
And it's not so grand.
Since that's all that I know,
I'm changing the flow,
I'm going to Switzerland.

Because life is a mean one,
I've only seen one sky,
And it's not so grand.
Since that's all that I know,
I'm changing the flow,
I'm going to Switzerland.

Switzerland.
Switzerland.
Switzerland.
Switzerland.

Step aside, I'm going to Switzerland.
Nobody knows me there, I'm going to Switzerland.
I'm going to Switzerland, Switzerland,
Switzerland, Switzerland,
Switzerland.

Step aside, I'm going to Switzerland.
Nobody knows me there, I'm going to Switzerland.
I'm going to Switzerland, Switzerland,
Switzerland, Switzerland,
Switzerland.

I'll be living in Switzerland,
Yes I will be living in Switzerland.
I'll be living in Switzerland,
Yes I will living in Switzerland.
I'll be living in Switzerland, (What are you up to, Dr. Crow?)
Yes I will be living in Switzerland. (I am Jackson Wetherbee!)
I'll be living in Switzerland, (Oh my god!! That is a sin in thirty states!)
Yes I will be living in Switzerland.

Switzerland.
Switzerland.
Switzerland.
Switzerland.
Switzerland.
Switzerland.
