

# Lemon Ice, Right Here Waiting

Oceans apart, day after day  
And I slowly go insane  
I hear your voice, on the line  
But it doesn't stop the pain  
If I see you next to never  
How can we say forever

Chorus

Wherever you go, whatever you do  
I will be right here waiting for you  
Whatever it takes, or how my heart breaks  
I will be right here waiting for you

I took for granted, all the times  
That I thought we'd last somehow  
I hear the laughter, I taste the tears  
But I can't get near you now  
Oh can't you see it baby  
You got me going crazy

Chorus

I wonder how we can survive this romance  
But in the end if I'm with you I'll take the chance

Oh can't you see it baby  
You got me going crazy

Chorus

Waiting for you
