

Lemon Ice, Would I Lie To You

Yeah, come on
Look into my eyes
Can't you see they're open wide
Would I lie to you

CHORUS:

Look into my eyes
Can't you see they're open wide
Would I lie to you baby
Would I lie to you
Don't you know it's true
Girl there's no-one else but you
Would I lie to you baby
Would I lie to you
Everybody wants to know the truth
In my arms is the only proof
I've hidden my heart behind the bedroom door (yeah)
Now it's open I can't do no more
I'm telling you baby...

You will never find another girl in this heart of mine

CHORUS:

Look into my eyes
Can't you see they're open wide
Would I lie to you baby
Would I lie to you
Don't you know it's true
Girl there's no-one else but you
Would I lie to you baby
Would I lie to you
Everybody's got their history (history)
on every page - a mystery (mystery)
You can read my diary you're in every line
jealous mind never satisfied
I'm telling you baby...
You will never find another girl in this heart of mine (oh yeah)

Look into my eyes
Can't you see they're open wide
Would I lie to you baby
Would I lie to you
Don't you know it's true
Girl there's no-one else but you
Would I lie to you baby
Would I lie to you
come on now, come on now, oh oh oh baby, oh oh yeah
I'm telling you baby...

You will never find another girl in this heart of mine

CHORUS:

Look into my eyes
Can't you see they're open wide
Would I lie to you baby
Would I lie to you
Don't you know it's true
Girl there's no-one else but you
Would I lie to you baby
Would I lie to you (2x)
