Lene, Bad Coffee Day

Fall out the wrong side of the bed And think Maybe I am just filling space The colours don't brighten The feeling It's dark It's just one of them days

Chorus: The radio's playing a long Song now

Bit it still sounds out of key Somehow

Cause the radios playing a long song now, And I really don't care, I really

Don't mind It's just a bad coffee day

I don't mean to sound melancholy
I just dip in the mood from time
To time
The sweet distast will pass
Don't worry
I guess tomorrow I'll be fine
The radio's

Repeat Chorus

I wanna break out
I wanna be free
Control my mind
But my mind controls me
So I'll just give in
I won't see a soul for the day
It's dirt in on the skin
I'll go back to bed and then wake
Up again

Oh! I'll just give in Just let it have it's own way

Repeat chorus
