

# Lene, Bite You

Just cuz I have red hair  
That don't mean that I'm red down there  
Just cuz I like it rough  
That don't mean that I'm open to your stuff  
Just cuz I push things fast  
That don't mean you can tap that ass  
Here comes the prechorus  
This is how I do it

Do  
Dodo  
Just cuz I like don't mean I won't bite you  
Do  
Dodo  
Just cuz I like you don't mean I won't bite you

Just cuz I buy nice clothes  
That don't mean you can wear me out  
Just cuz u rub my back  
Don't mean I wanna hit it right now  
And just cuz I wear high heels  
That don't mean this girl for sale  
Here comes the prechorus  
This is how I do it

Repeat Chorus

Your pussycats angry  
Cuz you left her home  
And I don't appreciate  
The way you been treating her lately  
So if I was you  
This is what I'd do  
I'd run home for dinner baby please  
Run home to your pussy
