

# Lenka, Like A Song

Chorus:

I can't forget you when you're gone.  
You're like a song  
That goes around in my head.  
And how I regret  
It's been so long.  
Oh, what went wrong?  
Could it be something I said?  
Time, make it go faster,  
Or just rewind  
To back when im wrapped in your arms  
Ahooh  
Dum da di da  
Da da da dum  
Da da da dum  
Da da da dum da da di dum  
Da di dum dum  
Da da da dum  
Da da da dum  
Da da da dum la da da di da dum  
All afternoon long  
It's with me  
The same song  
You left a light on  
Inside me  
My love  
I can Remember  
The way that it felt  
To be holding on to you  
Da dum da da di dum  
Ooh dum di dum  
Chorus  
Time  
Make it go faster  
Or just decide  
To come back to my happy heart.  
Ahooh oh
