

Lenny Kravitz, A Long And Sad Goodbye

Papa-
who's to blame
why you never had your future and fame
Papa-
what did you gain
to leave the love you had for a two bit dame

Chorus:
Papa-why did you turn your back
why did you stay on track
why did you leave and make her cry
Papa-you meant the world to me
why did you abandon me
now its a long and sad goodbye

Papa-what is this game

with all that shit in your head your gonna go insane
papa- I am in pain
cause on the day that you left
you said I'd do the same

Chorus

Papa. Papa. Papa. No
Oh Papa. Papa. Oh Papa. No

Chorus

Papa. Papa....

Stay.
