

Lenny Kravitz, Again (Stankonia Remix)

Again

(Stankonia Remix / Lenny Kravitz feat. OutKast)

I wanna see you again, see you again
(earth-tone 3, the remix, Lenny Kravitz)
and don't you know we could win
(Again, you know what time it is?, OutKast)
I wanna see you again
(Dirty South, Big Bro, Know talk about?, yeah, do somethin')

I've been searching for you
i've heard a cry within my soul
I never had a yearning quite like this before
now here you are walking right through my door

(I wanna see you again)
All of my life, where have you been
(and don't you know we could win)
I wonder if i'll ever see you again
(i wanna see you again)
and if that day comes
I know we could win
(and don't you know we could win)
I wonder if i'll ever see you again
(i wanna see you again)

a sacred gift of heaven
for better, worse, wherever
And i will never let somebody break you down
or take your crown never

(I wanna see you again)
All of my life, where have you been
(and don't you know we could win)
I wonder if i'll ever see you again
(i wanna see you again)
and if that day comes
I know we could win
(and don't you know we could win)
I wonder if i'll ever see you again
(i wanna see you again)

i've searched through time
i've always known
that you were there upon your throne
a lonely queen without her king
i've longed for you my love forever

Rap :

Ladies say forever
as a tony he say maybe
cause when you show emotion
some young ladies think its gravy
Thinkin the Hillary Clinton
not to mention and she got you baby
Your connection to this woman
makes you tingly conversating
You think about that pussy 24/7
365 duce four straight pimpin' you in heaven
posta play you post post up
then you make the most of
a situation thats raft-racing
then there's always masturbation, here

(I wanna see you again)
All of my life, where have you been
(and don't you know we could win)
I wonder if i'll ever see you again
(i wanna see you again)
and if that day comes
I know we could win
(and don't you know we could win)
I wonder if i'll ever see you again
(i wanna see you again)

(I wanna see you again)
All of my life, where have you been
(and don't you know we could win)
I wonder if i'll ever see you again
(i wanna see you again)
and if that day comes
I know we could win
(and don't you know we could win)
I wonder if i'll ever see you again
(i wanna see you again)

I wonder if i ever see you again
(I wanna see you again)
I wonder if i ever see you again
(I gotta see you again)
I wonder if i ever see you again
(I wanna see you again)
I wonder if i ever see you again
(I wanna see you again)
(and don't you know we could win)
(I wanna see you again)
(and don't you know we could win/i wanna see you again)
(I wanna see you again)
(I wanna see you again)
