

# Lenny Kravitz, Bring It On

I'm gonna walk my faith  
Gonna raise my song  
I'm gonna fight my battle  
Gonna praise my Lord

It's getting heavy  
But I'm ready  
To take on this world and rock steady  
So come on, bring it on

I'm gonna face my demons  
Gonna turn them down  
I'm gonna keep on moving  
Gonna make my sound

It's getting heavy  
But I'm ready  
To take on this world and rock steady  
So come on, bring it on

Bring it on (repeats)
