

Lenny Kravitz, Can't Get You Off My Mind

Life is just a lonely highway
I'm out here on the open road
I'm old enough to see behind me
But young enough to feel my soul
I don't wanna lose you baby
And I don't wanna be alone
Don't wanna live my days without you
But for now I've got to be without you

I've got a pocket full of money
And pocket full of keys that have no bounds
But then I think of lovin'
And I just can't get you off of my mind

Babe can't you see
That this is killing me
I don't want to push you baby
And I don't want you to be told
It's just that I can't breathe without you
Feel like I'm gonna lose control

I've got a pocket full of money oh yes I do
And a pocket full of keys that have no bounds
But when it comes to lovin'
I just can't get you off of my mind, yeaah

Am I a fool to think that there's a little hope
Yeah yeahhhhhheee yeah
Tell me baby, yeah
What are the rules the reasons and the do's and don'ts
Yeah yeahhhhhheee yeah
Tell me baby tell me baby, yeah
What do you feel inside?

I've got a pocket full of money
And a pocket full of keys that have no bounds
Oh yeah
But when it comes down to lovin'
I just can't get you off of my mind, yeah
I just can't get you off of my mind, yeah.
