

Lenny Kravitz, Flowers For Zoe

Flowers for Zoe
Love for Zoe
Angels and rainbows
All kinds of things you can call your own

Garden for Zoe
And oceans for Zoe
Jungle gym playgrounds
All kinds of things for you to explore

Flowers for Zoe
Love for Zoe
Angels and rainbows
All kinds of things you can call your own
Yeah yeah yeah

God is for Zoe
And heaven's for Zoe
Oh can you believe
That everything is waiting to unfold?
You can call your own
You can call your own
You can call your own
