Lenny Kravitz, I'll Be Around

I'm sorry if I tell you that you don't smell like roses I'm tired of all the hypocrisy and all your silly poses But honey what I tell you is the truth So don't turn away When I said I accepted you I was here to stay And I'll be around I'll be around I'll be around Oh,I'll be around I'm sorry if I offended you But don't walk away But someone's gotta speak the truth About the things you say You can't just dog everybody Who's supposed to be your friend Cause honey your dish is full And your leash is waitin' on a friend And I'll be around I'll be around I'll be around Oh,I'll be around I'll be around Out on the town I'll be around Oh,I'll be around I'll be around I can always be found Cause I'll be around I'll be around I'll be around
