

Lenny Kravitz, If I Could Fall In Love

When I was young
I fell in love
She was a goddess
With a world inside of her mind
When she moved on
Something went wrong
She took my power
And the love I had inside
Now that I found you
I don't know how to

If I could fall
In love again
I'd fall in love with you

If I could change
A grain of sand
Into a pearl I would

I pray in time
I'll come to find
Away to break through
And save this heart of mine
You've waited long
If you can't hold on
I wouldn't blame you
I don't think I'd be that strong
What am I to do
If I can't have you

If I could fall
In love again
I'd fall in love with you

If I could change
A grain of sand
Into a pearl I would

You love me so
Even though I don't know
How do you deal
With a man like me

If I could fall
In love again
I'd fall in love with you

If I could change
A grain of sand
Into a pearl I would
I would, I would, I would
