

Lenny Kravitz, It's Enough

45 caliber on the face
shot him in the head
because of his face
now that he is dead
well we plead his case?
while the executioner's out on grace?

I just thought somewhat
that things would get better

it's enough
it's enough
it's enough
in the system, you cannot trust
when the whole wide world is corrupted
it's enough
it's enough
and we all are just getting fucked
it's enough
it's enough
