

Lenny Kravitz, More Than Anything In This World

More than anything in this world
I just want you to be my woman
More than anything in this world
I wanna be your man

I'd walk through fire
Stand in the rain
I'll go to hell and back
On a plane
I'd scale the mountains
Swim the seas
I beg for mercy
Down on my knees

More than anything in this world
I just want you to be my woman
More than anything in this world
I wanna be your man, hey

I caused you sorrow
I've caused you pain
But love is all we will have to gain
I searched the whole world, Oh I
And I want you to be my baby, hey hey.

More than anything in this world
I just want you to be my woman
More than anything in this world
I wanna be your man, hey

More than anything in this world
I just want you to be my woman
More than anything in this world
I wanna be your man, hey

More than anything in this world
More than anything in this world
I want you, hey hey
More than anything in this world
I wanna be your man, hoo
More than anything in this world
I wanna be your man, yeah
Anything anything, anything, anything
