

Lenny Kravitz, Straight Cold Player

I'm a straight cold player
Just a straight cold player
Straight cold prayer
Ouah !

Just a straight cold player
Just a straight cold player
Straight cold player
Ouah!

I'm a straight cold player
I'm just a straight cold player
Straight cold player
I'm just a straight cold player, player
Straight cold player
Just a straight cold player
Straight cold player
I'm just a straight cold player
Straight cold player
Just a straight cold player
Straight cold player
