

# Lenny Kravitz, TK421

All aboard, now it's time to face your fears  
The conversations in your mind  
You can tell me how it really makes you feel  
And I will promise you it will be fine

Come on, baby, get on the one (On the one)  
Can you feel it, my T-K-4-2-1?  
Look out, baby, drop on the one (On the one)  
So much better, my T-K-4-2-1

All aboard, take it to the stratosphere  
The congregation is alive  
All I'm asking is for you to break the seal  
So we can dance our way to the divine

Hey, come on, baby, get on the one (On the one)  
Can you feel it, my T-K-4-2-1?  
Look out, baby, drop on the one (On the one)  
So much better, my T-K-4-2-1

Come on, baby (On the one)  
Can you feel it? (T-K-4-2-1)  
Look out, baby (On the one)  
So much better (T-K-4-2-1)

Come on, baby, get on the one (On the one)  
Can you feel it, my T-K-4-2-1?  
Look out, baby, drop on the one (On the one)  
So much better, my T-K-4-2-1  
Come on, baby, get on the one (On the one)  
Can you feel it, my T-K-4-2-1?  
Just look out, baby, drop on the one (On the one)  
So much better, my T-K-4-2-1
