

Lenny Kravitz, Uncharted Terrain

When I was just a boy
My daddy sat me on his knee
He told me that he loved
Me and that we're a family
He spoke about the world
And all the possibilities
Then he held me in his arms
And said be what you want to be

He paved the way for me to follow
Uncharted terrain now had a name
It's how I got over

When I became a man
My daddy said come walk with me
He said beeing a man
Comes with responsibility
And all is keep your word
To the best of your ability
Then he looked me in my eyes
And said it's time to set you free

He paved the way for me to follow
Uncharted terrain now had a name
It's how I got over

He paved the way for me to follow
Uncharted terrain now had a name
It's how I got over

He paved the way for me to follow
Uncharted terrain now had a name
It's how I got over
