

Leo Sayer, My Favorite

the first time I met you I knew that I was gonna fall you took me you shook me you put me higher on
but I love it you're my favorite won't change it for anything at all I can't do I won't do won't undo anything
your walk and your look and your smile and little things you do promises of kisses you wish is never
oh I love it you're my favorite it don't get better than with you I can't be don't wanna be I can't see any
there are no attractions that compare with you great satisfaction of being near you ain't anything at all
yeah the little things you do yeah everybody crazy crazy 'bout you
there can't be there won't be how could there be anybody like you I love it you're my favorite and I won't
I love it you're my favorite and it don't get better than with you I can't see I can't be with anybody else
