

# Leo Sayer, Stormy Weather

sometimes you can be like a stranger in moments when you're so far away in the night when I reach  
oh, I love you so when you're smilin' but your smile has faded overnight will we stay like this for a life  
why do we always have stormy weather why do we have it so rough is it so hard just to stay close to  
oh, I knew from the first time I saw you I just had to make you mine felt so sad when you told me abo  
so here we are just a few years further still tryin' to make it work I've a feelin' what we really need rig  
why should we always have stormy weather why should we have it so rough it's not so hard just to s
