

# Leon Russell, Stranger In A Strange Land

How many days has it been  
Since I was born  
How many days until I die  
Do I know any ways  
That I can make you laugh  
Or do I only know how to make you cry

When the baby looks around him  
It's such a sight to see  
He shares a simple secret  
With the wise man

He's a stranger in a strange land  
Just a stranger in a strange land  
Tell me why  
He's a stranger in a strange land  
Just a stranger in a strange land

How many miles will it take  
To see the sun  
And how many years until it's done  
Kiss my confusion away in the night  
Lay by side when the morning comes

And the baby looks around him  
And shares his bed of hay  
With the burrow in the palace of the king

He's a stranger in a strange land  
Tell me why  
He's a stranger in a strange land  
Just a stranger in a strange land

Well, I don't exactly know  
What's going on in the world today  
Don't know what there is to say  
About the way the people are treating  
Each other, not like brothers

Leaders take us far away from ecology  
With mythology and astrology  
Has got some words to say  
About the way we live today  
Why can't we learn to love each other  
It's time to turn a new face  
To the whole world wide human race

Stop the money chase  
Lay back, relax  
Get back on the human track  
Stop racing toward oblivion  
Oh, such a sad, sad state we're in  
And that's a thing

Do you recognize the bells of truth  
When you hear them ring  
Won't you stop and listen  
To the children sing  
Won't you come on and sing it children

He's a stranger in a strange land  
Just a stranger in a strange land
