

# Leona Lewis, The Best You Never Had

I was so in love with you  
There was nothing I could do  
Wouldn't give me the time of day  
Now you wanna be with me  
You say you wanna be with me  
You said I was the best  
Gave your love out to the rest  
There was nothing I could say  
But now it's goin' good for me  
You say you wanna be with me now  
And you're telling me that I am where it's at  
But I ain't having none of that

## Chorus

Because I told you you'd live to regret it  
And now I don't wanna make you feel bad  
But when it comes to me just forget it  
I'll be the best you never had  
You put me through so many emotions  
Now baby it's your turn for that  
Cause in your empty heart I have left a mark  
The best you never had

You saw me as a friend  
Baby I don't want revenge  
But if you must know the truth  
What you didn't see in me  
Reflects what you will never be now  
When you're telling me I always was the one  
I feel your desperation

## Chorus

Back rubs, good love, my stuff  
That's what you missed out on  
My touch, so much we could have had  
Baby you miss my kiss, my lips  
The love I had for you  
Our song, so long  
Baby don't it make you sad

## Chorus x 2

Well I will always be the best you never had  
The best you never had
