

# Leona Naess, Lazy Days

Why can't you be with me  
Watching American TV  
We'll order in chinese  
And ask the world to stay away, please

These hotels groe so stale  
Telling the same ass-tale  
By the time I get to you  
I'll be too tired to...

Chorus:  
Soak up some lazy days  
No one can rain on our parade  
Standing here beneath the shade  
Of our love

Let's slide down the avenue  
Like good New Yorkers do  
Maybe then I'll believe  
When you give, man, you recieve

Chorus

Wide-eyed and stupid  
I'm waiting for the arrows of cupid  
Wide-eyed and stupid  
I'm waiting for the arrows of cupid  
Wide-eyed and stupid  
I'm waiting for the arrows  
of your love
