

# Leonard Cohen, I've Got a Little Secret

I've Got a Little Secret,  
Please don't tell anyone  
I said: I've Got a Little Secret,  
You got to promise not to tell  
I've been in heaven  
But I rather be in hell

I like hold you, baby  
But my arms are cold and \_\_\_\_  
I like hold you, baby  
I was listening to your story  
But I think I just fell asleep

I've Got a Little Secret,  
Please don't tell anyone  
I said: I've Got a Little Secret,  
You got to promise not to tell  
I've been in heaven  
But I rather be in hell
