

# Leroy Pullins, I'm A Nut

Bizz-a-bah, Bizz-a-bah,  
Bizz-a-biz-a-beel-a-bah,  
Bah-bah, Bizz-a-bah Bum,

I'm A Nut, I'm A Nut  
My life don't ever get in a rut  
Woot-woot-woot-woot  
The head on my shoulders is sorta loose  
and I ain't got sense God gave a goose  
and I ain't crazy -but- I'm a Nut

Is it wetter under water if you're there when it rains?  
Is it shorter to New York than it is by plane?  
Between myself and I I wonder who's the dumber.  
Is it hotter down south than it is in the summer?

I'm A Nut, I'm A Nut  
My life don't ever get in a rut  
Biz-a-bah Biz-a-bow  
The head on my shoulders is sorta loose  
and I ain't got sense God gave a goose  
and I ain't crazy -but- I'm a Nut

I drove my Cadillac to Vegas to satisfy my lust  
Wheeling - dealing, left old Vegas on a Grey-Hound bus  
I sure didn't set the woods on fire while I was there,  
but remember only forest fires prevent bears.

I'm A Nut, I'm A Nut  
My life don't ever get in a rut  
Woot-woot-woot-woot  
The head on my shoulders is sorta loose  
and I ain't got sense God gave a goose  
Lord I ain't crazy -but- I'm a Nut

The poverty war will be over when I begin to fight.  
If it took a dime to go round the worl I couldn't get out of sight  
I don't mind to take the girls out if they don't mind to go dutch  
Makes me feel like a million dollars, and I bet I ain't worth half the much!

I'm A Nut, I'm A Nut  
My life don't ever get in a rut  
Woot-woot-woot-woot  
The head on my shoulders is sorta loose  
and I ain't got sense God gave a goose  
Lord I ain't crazy -but- I'm a Nut

Oh crazy, man - I'm a nut.
