

# Leroy Williams, New World

raised the prices yesterday  
at the grocery store  
reckless man hangin out front  
always gets ignored  
can we ever solve these problems  
in our changing world?  
will our children ever get  
to play out in the yard?

## CHORUS

theres a new kinda world thats takin over  
its got devils its got angels sittin on my shoulders  
theres a new kinda world thats takin over  
there aint no miles, second chances  
there aint no turnin back

living in this epidimic  
population surge  
will the future of tomorrow  
what will they deserve?  
how much further can we go  
with all these spinnin wheels?  
& will my children recognize  
the world we all built?

## CHORUS (3x)
