

Les Humphries Singers, Top Szene Hamburg

Top Scene Hamburg 's my scene anyday anyday
Top scene Hamburg 's my scene anyday.
It's the top scene Hamburg
Just another place to you but not to me
It's the top scene Hamburg
Everybody gets to see variety
And when the old Fabrik is closing
And the clubs only down the way
Top scene Hamburg 's my scene anyday anyday
Top scene Hamburg 's my scene anyday.

It's the top scene Hamburg
When the moon shines the Alster's looking fine
It's the top scene Hamburg
Number one ragtime Gottfried plays on time.
So if you want to hear a jazz band
Onkel P is the place to stay
Top scene Hamburg 's my scene anyday anyday
Top scene Hamburg 's my scene anyday.

Top scene Hamburg 's my scene anyday anyday
Top scene Hamburg 's my scene anyday.

It's the top scene Hamburg
Day is over sun sets in the west
It's the top scene Hamburg
Denny's Swing Club you get all the best
When Abbie's Dixie-Band is playing
Shaba de do
shaba de do da day
Top scene Hamburg 's my scene anyday anyday
Top scene Hamburg 's my scene anyday anyday
Top scene Hamburg 's my scene anyday
