

Lesley Roy, I Don't Want To Want You

I cant breathe
I cant sleep without you
I'm lost
In this hell alone
So I pray
That I find the light
Cant I change
Will I be alright
If I could only clear my mind
Leave all this madness far behind
I don't want to want you
But I hate to say I do
I cant help the way I feel for you
I don't need to need you
What am I supposed to do
I cant help the way I feel for you
Ohh ohh
We were good
We were doing alright
In those days
There were beautiful nights
But the scars in your heart
Blinded you from the start
Not a thing I could do
If I could have helped you save your mind
Leave all your darkness far behind
I don't want to want you
But I hate to say I do
I cant help the way I feel for you
I don't need to need you
What am I supposed to do
I cant help the way I feel for you
Just cant let go
We cant lose and we cant win
This game were playin in
Look at us now the shape of it
Its over ...over
I guess its over....its over
No I don't want
I don't want to want you
But I hate to say I do
I cant help the way I feel for you (for you)
I don't need to need you
What am I supposed to do
I cant help the way I feel for you
I don't want to want you
I don't need to need you
What am I supposed to do
I cant help the way I feel for you
Ooh ooh
Just cant let goo
Just cant let goo
