

Less Than Jake, Rock-N-Roll Pizzeria [7" Version]

(Right!)

Man it's really strange
this city never stays the same
it's always [alt: I've gotta] "keep on moving
I've gotta keep on going"
but maybe to keep itself sane
"I've gotta keep on going
so I don't have the feeling"
I'm on my way
out of this place that has me turning numb
I'm on my way
all the feeling in this place is up and gone

One hand on the wheel
the other out the window
with a smile on my face
my middle finger up
one hand on the wheel
the other out the window
with a smile on my face
my middle finger up, 2-3-4
