[Chorus:]
Well why's everybody sweating me because I go to Dairy Queen well why's everybody sweating me I'm just the son of Dick Ramsbee

His dad boils water by time and measures sugar by the line who tours the country in a winnebago well his dad's an anal guy and his roomate's stalked by the FBI "Who put the shotgun underneath the sofa?" Hal put the shotgun underneath the sofa

[Chorus]

I'm son of Dick I'm son of Dick I [x4]
