

Let Loose, Crazy For You

Intuition tells me
What I'm missing
When I look at you
So tell me, honey
Am I dreaming
Or do you feel it too?

'Cause I feel that you know
You've got me just where you want me

I'm crazy, crazy for you
And there's nothing that I won't do
I'm caught by the look in your eyes
And it's all for the love of you

Ten more pages and your work
Is over for another day
Well there just has to be
Some other way for you to pay your way

'Cause I feel that you know
You've got me just where you want me

I'm crazy, crazy for you
And there's nothing that I won't do
I'm caught by the look in your eyes
And it's all for the love of you

I feel that you know
You've got me just where you want me
I feel that you know, you've got me just
Just where you want me

I'm crazy, crazy for you
And there's nothing that I won't do
I'm caught by the look in your eyes
And it's all for the love of you

(All for the love of)

Crazy, I'm crazy for you
And there's nothing that I won't do
I'm caught by the look in your eyes
(All for the love of...)
Woah
(All for the love of you)
