

Lethal Bizzle, Fire

Yeah! Yeah!
Da Bizzle!
(Woooo)
Da Bizzle!
(Woooo)
Da Bizzle!
(Woooo)
Da Bizzle!
(Let's Go)

It's a shame,
Before the fire's gonna do the beat
It's a shame,
Cuz we're (back now)
It's a shame,
Before the fire's gonna do the beat
It's a shame,
Cuz we're (here now)

Yo! Yo!
You thought more fire crew was really gonna roll
More fire roll while they wonders no!
Universal got me feelin' a little bit o' low
Made a little dough then they kicked us out the door'
Fire hater what u laughing for'?
Your skinny ass wont fit through the door
Go round u were sayin' aint no more no!
Shutup! they wont know shutup! they wont know,
So,
More fire crew pioneers in the scene,
Why u tryin' to bust the gangsta scene
Now everybody tryna rechoose me
The only crew through thick n thin is still a team,
I know your wondering now where did we go
One stage wasn't confident to do a show
But I let u know that we're never gonna go
And I wanna let u haters know that....

It's a shame,
Before the fire's gonna do the beat
It's a shame,
Cuz we're (back now)
It's a shame,
Before the fire's gonna do the beat
It's a shame,
Cuz we're (here now)

Yo! Yo!
We didn't mean to go but now we are back
Compare us to the artists coming through and they are crap
I don't mean to have a big head but it's a fact
Making sure that I'll make u move that is whack
Now I'm showing you a side that you really don't know
Leth of the Bizzle yeah full of a lot of soul
With the new style wonder how far I 'go
I'm not gonna stop I'm gonna keep on going
But, I know how ya probably feelin'
I know ya probably screamin'
I know ya pulling ya hair punching fists right on the ceiling
So such a happy feelin'
So such a last to Meanin'
_ right through the ceiling
You don't know how I feel,
The feeling it be real

So saying I think I will,
I want to make a meal,
So I think you should chill
Yknow we know the deal
Ya too late anyway ya hearts not there

It's a shame,
Before the fire's gonna do the beat
It's a shame,
Cuz we're (back now)
It's a shame,
Before the fire's gonna do the beat
It's a shame,
Cuz we're (here now)
La La La Lala
La La La La La La Lala

(Yeah)
First and foremost,
I wanna bigup the fans
That stuck with the Fire through thick 'n thin
Right about now it's the takeover
The Bizzle
Alright then
Let's go

It's a shame,
Before the fire's gonna do the beat
It's a shame,
Cuz we're (back now)
It's a shame,
Before the fire's gonna do the beat
It's a shame,
Cuz we're (here now)
La La La Lala
La La La La La La Lala...
