

Letter Kills, Hold My Heart

Just forget about it, anything I said about it.
Drive away tonight, you think it's fine.
You put it all inside and run and never look behind.
It's all the same besides the fact that it's mine.
Think of me when you're dreaming and know,
I'm wide awake and thinking of you.
Cause I swear when you're there alone,
Know that I'm wide awake tonight..

[x2]

You could hold my heart.
It's all yours if you want.
Just forget about it. Set your mark and keep around it.
Thoughts that are just the opposite of you.
It happens everytime you fall,
You write it off as you were all, "Well I'll be fine just let me try too."
And sing to me when you're sinking,
And you know I'm wide awake and watching for you.
Cause I swear when you're there alone,
Know that I'm wide awake tonight.

You could hold my heart.

It's all yours if you want.

I'm letting you know now

I'm letting you know now

[...continues in the background]

Don't wait...just tell me all about it [x3]

Don't wait, don't wait

Don't wait...just tell me all about it [x3]

Don't wait, don't wait

Don't wait...just tell me all about it [x2]
