

Level 80 Elite Tauren Chieftain, Rogues Do it from

I love to one shot mages
I live to two shot priests
When I see ya, I'll PvP ya
Spanking newbs, that's my favorite cheese
Rogues do it in the darkness
Rogues do it where the sun don't shine
Rogues
And with a little drop of poison
Rogues do it from behind
Gonna creep inside your backdoor
I wear Bloodfang leather
Bonescythe and Netherblade
Chop-chop the level 7 warlock
Gonna take him out with Perdition's Blade
Rogues do it from behind ☐
Sinister Strike, Eviscerate, Cheap Shot, Backstab
Slice and Dice, Ambush, Rupture, Blind
Sinister Strike, Eviscerate, Cheap Shot, Backstab
Gank you
Thank you
Now I outrank you!
With dagger, mace, and sword
We are Alliance or the mighty Horde!
Not your everyday type prankster
Call me Ice-T Original Gangster
You'll never hear me coming
When I creep across the floor
With deadly force,
You're dead, of course
Now I'm gonna camp your corpse
