

Levert, Pop

I remember when you said I was the only one that you would give your love to
Your love was so strong
baby
I admit I was wrong.
Can we try to start it over or has your love run out for me ?
Tell me that you love me
girl
baby
please
have pity on me
baby!
Pop
pop
pop
pop goes my mind
- my mind -
Every time I think of all the times I did you wrong.
Pop
pop
pop
pop goes my mind
goes my mind.
I never wanted you to leave
I tried to love you the best I could
But
baby
now I see
girl
my best
my best was no good.
So please don't say you're leaving me
see
I can't stand to see you cry
Tell me that you love me
girl
but I don't know
I don't know why
My mind keeps saying
keeps telling me -
Pop
pop
pop
pop goes my mind
- my mind -
Every time I think of all the times I did you wrong
baby.
Pop
pop
pop
pop goes my mind
baby
my love was so strong.
Please don't you say
don't you say that you're leaving
I can't stand it when you cry
baby
tell me that you love me
girl.
See
I don't know
I don't know why my mind keeps saying
keeps telling me -
Pop
pop

pop
pop
pop goes my mind
- I love you -
Pop
pop
pop
pop
goes my mind
- my mind -
when I think of all the times
all the times that I said I didn't love you
baby.
Pop
pop goes my mind remembering the times
Remembering the times I need
needed you
I think I needed you
oh baby.
Every time I think of how I loved you
Baby
baby
baby
baby
baby
baby
baby
All the times that I did you wrong
baby
