

Lexington Bridge, Tear it up

you never compromise
no in between
know how to satisfy
that what you need
you cant stop (no)
do what it take (show)
its more than hype (so)
push it all the way, yeah
you gotta get the best
of something new
never settle for less
nobody should
youre on time (right)
and what you wear (tight)
the partys on tonight
get crazy in here
so cmon (tear it up)
cmon (tear it up)
the floor (cant get enough)
do some more (tear it up)
the heat (tear it up)
what you need (tear it up)
its on (all night long)
all night long (tear it up)
you never hold it back
or play it safe
you take it to extremes
like it that way
you work it all (you do)
gotta goin on (its true)
you get attention not to mention
how you shake that
so its all about the attitude
and the looks you give
and the way you move
cause you like
to get a little bit crazy
so all you better do is
cmon (tear it up)
the song (tear it up)
the floor (cant get enough)
do some more (tear it up)
the heat (tear it up)
what you need (tear it up)
its on (all night long)
all night long (tear it up)
so cmon (tear it up)
the song (tear it up)
the floor (cant get enough)
do some more (tear it up)
the heat (tear it up)
what you need (tear it up)
its on (all night long)
all night long (tear it up)
(tear it up)
(tear it up)
you get attention not to mention
how you shake that
so cmon (tear it up)
cmon (tear it up)
the floor (cant get enough)
do some more (tear it up)
the heat (tear it up)
what you need (tear it up)

its on (all night long)
all night long (tear it up)
(tear it up)
the song (tear it up)
the floor (cant get enough)
do some more (tear it up)
the heat (tear it up)
what you need (tear it up)
its on (all night long)
all night long (tear it up)
(tear it up)
(cant get enough)
(tear it up)
(all night long)
(tear it up)
so cmon!
