Strove like DJ's like
Oh shake my motherfucking ass
All night
I don't want kiss tonight
I don't want kiss tonight
Want you come up to my room
And have to much fun
Don't want to wait in the soon
Why don't you stay
Let's play
You think of a better way
To in the day
Let's fuck

Want you come up to my room
And have to much fun
