

LFO, If I Can't Have You

Yo, it's a big world
You probably think I'm out there being a playa, huh?
Yo, but if I can't have you
Then I don't want anybody
That's my word so check it out
Chorus:
If I can't have you
I don't want nobody baby
If I can't have you
No oh oh
If I can't have you
I don't want nobody baby
If I can't have you
Whoa oh oh

You've got the latest fashion
Keep classin'
Body's just slashin'
Time for some action
When I hooked you up then I hooked up my last one
All and all got a joint cash fund
Forget your last one
He ain't much
Mad 'cause it's me not him you touch
In the night time when the lights go out
No doubt, rich nice is the name you shout
Yes, yes, yawning till the break of dawnin'
Yeah, yeah that's it, don't stop, don't quit
Babygirl and rich we're always into something
If it's not you than it's nothing

> chorus

1, 2, 3, 4, 5...baby just keep it moving all night
Need you by my side from dark to sunlight
Everything is side to side is alright
Listen, if we can't break the fool baby, act crazy, make waves like a pool, baby
Ooh maybe
We can shake the dawn breaks
Face it anything you want just take it
Shine bright like constellations
Girl you got my heart...congratulations
No need to lie, you're the meaning to my song
When it's on, then it's on and it's on

Chorus

Clap to this, come on
Clap your hands
Yeah yeah yeah
I think about you often
Let's take a little walk out in boston
You can teach them freak on landsdowne street
Around ten, lay low like brasco, let's spend a few tens
And I rhyme for you, do time for you
Calculate and carry out the perfect crime for you
Let me shine with you, true you won't regret it
But if it's not you than forget it

I don't want nobody else but you
Something bout those freaky things you do

Chorus
