## Liam Gallagher, Wall Of Glass

you would keep the secrets in ya you've been keeping paraphernalia I think you know anyone can walk up to ya anyone can see right through your eyes all night

and I don't mean to be unkind but I see what's in your mind and the stone you throw will turn back in its path one day you'll shatter like a wall of glass wall of glass one day you'll shatter like a wall of glass

you believe in fascinations and designer vaccinations, love you get along you were sold a one direction I believe the resurrection's on and you were wrong

and I don't mean to be unkind but I see what's in your mind and the stone you throw will turn back in its path one day you'll shatter like a wall of glass wall of glass one day you'll shatter like a wall of glass

and I don't mean to be unkind but I see what's in your mind and the stone you throw will turn back in its path one day you'll shatter like a wall of glass wall of glass one day you'll shatter like a wall of glass
