

# Liam Lynch, Cuz You Do

Wake up  
And stop being sad, girl  
I know he makes you sad, girl  
Make up your mind...

Chorus:  
Let him go  
Let him know  
Cuz I know what a hearts for  
Give me a chance and I'll give more  
Like you do  
Cuz you do  
Cuz you do

Wake up  
I'd crawl a million miles  
I'd fight a crocodile  
So what's he done for you?

Chorus

Wake up  
You make me go wild  
Since you turned your head and smiled  
I don't even know your name child

Let him go  
Let him know  
Cuz I know what a hearts for  
Give me a chance and I'll give more  
Like you do
