

Lianie May, Jy Soen My Nie Meer Nie

Ek kan onthou hoe jy by my pas
Ek kan onthou hoe perfek dit was
Maar ek soek na jou
En my hart voel rou

Ek's goed genoeg as dit vir jou pas
Maar skuins n twaalf word ek net 'n las
En dit maak my so seer
Wanneer sal ek ooit leer

Want jy soen my nie meer nie
Soen my nie meer nie
En ek mis hoe dit was
Mis hoe dit was
En jy maak met my hart soos klei
Dis die skoen wat jou pas

Hoe kyk 'n mens deur jou hart se lens
Kyk en probeer alles reg te wens
As ek weet dis te laat
Hoe volg ek my eie raad
Want ek's nou gebreek
Alles net oor jou
Voel jou mes in my steek
Het jy geen berou
Eendag sien ek jou weer
Voel jy ook nou die seer

Want jy soen my nie meer nie
Soen my nie meer nie
En ek mis hoe dit was
Mis hoe dit was
En jy maak met my hart soos klei
Dis die skoen wat jou pas

Was ek te koud vir jou harde lyf
Was ek net moeg dat jy my so rondskuif
Want kyk nou hoe leeg staan ons fotoraam
Want jy het nou jou kans laat verbygaan

Want jy soen my nie meer nie
Soen my nie meer nie
En ek mis hoe dit was
Mis hoe dit was
En jy maak met my hart soos klei
Dis die skoen wat jou pas

==English: You Don't Kiss Me Anymore==
</lyrics>
I can remember how you fit with me
I can remember how perfect it was
But I seek you
And my heart feels raw

I'm good enough when it suits you
But after twelve I'm just a burden
And it hurts me so
When will I ever learn

Because you don't kiss me anymore
Kiss me anymore
And I miss how it was

Miss how it was
And you play with my heart like clay
It's the shoe that fits you

How does one look through your heart's lens
Watch and try to wish everything right
If I know it's too late
How do I follow my own advice
Because I'm broken now
Everything just because of you
Feel your knife cut inside of me
Don't you have any regret
One day I'll see you again
Do you also feel the pain now

Because you don't kiss me anymore
Kiss me anymore
And I miss how it was
Miss how it was
And you play with my heart like clay
It's the shoe that fits you

Was I too cold for your hard body
Was I just tired that you shun me around
Because look how empty our photo-frame is
Because you let your chance go by

Because you don't kiss me anymore
Kiss me anymore
And I miss how it was
Miss how it was
And you play with my heart like clay
It's the shoe that fits you
