

# Liars Academy, No News Is Good News

I'm not myself today  
I pissed of everyone that got in my way  
Feels like there's nothing new  
Feels like there's nothing clean to me  
Feels like I'm not even here at all  
And I never thought that I would change  
I never thought I would stay the same  
And any way you choose to be  
I choose to be mean  
Have you heard the news today  
About the name who disappeared in his hate  
I'm being way to mean  
And I can't even save my life  
It's not the way you talk  
It's just the way you annoy me  
It's not the way you walk  
I'm being way to mean.
