

Liberty X, Got To Have Your Love

Every time I close my eyes
I can clearly see the image of your smile
shine through my darkest dreams
I never thought that I'd find myself this close,
this close, to you my dear
Tell me what it means
(Got to have your love)
I can feel your sweet caress,
wash away all the loneliness that I once felt
inside my heart (oh yeah)
Boy if you could read my mind I'm sure that you can find
What you've been searching for, what you've been searching for

Bring me from dismay, there's so much to share
If you surrender to me, whoa yeah
Whisper in my ears, words I long to hear, ooh yeah

(Chorus)

Gotta find a way to get into your heart,
boy I've got to have your love
Gotta find a way to get into your heart
You know, you know, you know I need your love
Gotta find a way to get into your heart,
boy I've got to have your love
Gotta find a way to get into your heart
You know, you know, you know I need your love

Ooh
Whoa
Mmm
Yeah
Listen up
Woo
Got to have your love
It's like this

You're like an angel in disguise,
I feel like I'm in heaven when you walk my way
You're such a mystery (such a mystery)
Butterflies I feel inside must be
(must be) must be (must be) the sign of love
No one can disagree
My desire for your love, is like a new horizon only lovers see
Like you and I
The signal that will be the start to synchronize our hearts
I love you till my dyin' day
Until my dyin' day

Bring me from dismay, there's so much to share
If you surrender to me, to me, to me, to me
Whisper in my ears words I long to hear
Ooh, whoa

(Chorus to fade)
