

Liberty X, Shake It

With my girls I'm ready to go
We're going to a private party, oh
Dressed so fly, we get in the ride
Pull up to the club, not acting shy

'Cos we're VIP, we just walk inside
All the guys on the floor giving us the eye
This one guy that I see looking fly
Oh he's looking at me, he just blows my mind

Boy you make me hot, hot
Please don't stop
That way you shake your thang, thang
Left me shocked
You're so super sexy
Come dance with me
I'm waiting for a sign boy
Can't you see

Shake it
I love when you do it
Shake it
You're driving me mad
Shake it
Keep teasing me baby
Shake it
Ooh, boy you're so bad
Shake it
Keep twisting your body
Shake it
Ooh, boy you're so tight
Shake it
Keep shaking it baby
Shake it
Just shake it all night

It's at half past two and I'm feeling fine
A honey over there's giving me the eye
She's licking her lips and touching her thighs
Moving her hips like she wants to grind
But why is she making me wait
Can't hold back as she walks away
I just wanna instigate
But I guess she ain't serving it on a plate

Girl you make me hot, hot
Please don't stop
That way you shake your thang, thang
Left me shocked
You're so super sexy
Come dance with me
I'm waiting for a sign girl
Can't you see

Shake it
I love when you do it
Shake it
You're driving me mad
Shake it
Keep teasing me baby
Shake it
Oh, girl you're so bad
Shake it
Keep twisting your body

Shake it
Oh, girl you're so tight
Shake it
Keep shaking it baby
Shake it
Just shake it all night

Shake it
I love when you do it
Shake it
You're driving me mad
Shake it
Keep teasing me baby
Shake it
Oh, boy you're so bad
Shake it
Keep twisting your body
Shake it
Oh, boy you're so tight
Shake it
Keep shaking it baby
Shake it
Just shake it all night

Oh I don't think that I can
Take more of this lady
You're driving me crazy
I'm standing here watching
I wish I was touching, caressing your body all night long

Shake your money maker babe
Shake your money maker
Shake your money maker babe
Shake your money maker
Shake your money maker babe
Shake your money maker
Shake your money maker babe
Shake your money maker

Shake it
I love when you do it
Shake it
You're driving me mad
Shake it
Keep teasing me baby
Shake it
Ooh, girl you're so bad
Shake it
Keep twisting your body
Shake it
Oh, girl you're so tight
Shake it
Keep shaking it baby
Shake it
Just shake it all night

Shake it, your body (Oh, oh)
Shake it, my baby (Oh, oh, shake it)

Shake it, my baby (Oh, hey)
