

# Liberty X, Story Of My Life

Sometimes I feel like I wrote the book of loneliness  
And every chapter ends in tears  
Sometimes I fear I've had my share of happiness  
It's gotta last me all my years  
And looking in your eyes it makes me wonder  
Do I have a chance again?  
Now suddenly I feel I'm starting over  
Like it's time to turn the page

Chorus  
It's the story of my life  
Can you help me write  
The words I need to say  
In a better way  
Can you help me see  
The person I could be  
Read between the lines  
Can you help me write  
The story of my life?

Do you ever feel like your destiny is written for you?  
And you only play the part?  
Cos I believed in fate the moment that I saw you  
Your name was written on my heart  
And looking in your eyes I feel a sense of wonder  
I know I have a chance again  
Now suddenly I feel I'm starting over  
It's time to turn the page

Chorus  
So baby won't you be my inspiration  
Through the shadows and the light?  
Together we can write our dedication in the story of our lives  
Story of our lives
